DEAR GUEST

Welcome to Bjerck Restaurant & Bar.
My team and I hope you will have a great experience dining here, enjoying the good food and the special atmosphere. We are proud to manage these premises located at one of the best corners in Bergen where people have been dining since the first tea lounge was opened here in 1965.

A lot has happened since then, but this corner is still a lovely place to watch the locals and the tourists buzzing below, on rainy days as well as sunny days.

The location and the view is priceless, and at Bjerck we are focused on being a place for everyone. Simply lean back and enjoy yourself.

All the best from Adam Bjerck
